## ABOUT

After finishing high school in Lebanon, and using my experience and skills, I took the opportunity and enrolled myself in France to study law. I worked and persevered to get there, always looking for new experiences in which I could improve and refine myself.

## WORK EXPERIENCE

### Summer Intern

IAA Law Firm, Beirut

July 2023

- Research relating to the "General Data Protection Regulation" of the EU and the "Environmental, social and Governance", with the support of agreements and contracts.
- Review of agreements, such as a shareholder and Services Agreement, and the NDA clauses, familiarizing myself with the legal wording and the disposition of the clauses. Plus, more specific ones such as a Commercial Lease Agreement, a Letter of Intent, a Venue agreement, a Concession agreement
- Witnessed, and helped with the process of different procedures, and their paperwork at the justice palace of Baabda.
- Daily debriefs with co-workers about the information, vocabulary, and notions learned during the day. Got acquainted with the UAE Civil Code, English translation.

### Student Tutor

Service Civique- Contact Club, Marseille

October 2022 - June 2023

- Charged with the tutoring of four middle school students.
- Provided personalized lessons over the course of the school year.
- Development of lesson plans specific to each of my student's needs.
- Participation, creation, and organization of daily activities featuring smart ways to stimulate and open up the students.
- Organization of a painting session leaning towards self-development and creativity.

### Intern

Murex, Beirut

August 2019

- Introduction to banking security software.
- Got acquainted with cyber security and management.
- Took part in online meetings and conferences and got acclimated on the long-distance side of a multinational enterprise.
- Took introduction courses in coding software such as Java and C++.

- Engaged in forest camps, team building exercises and served as team chef.
